AMENDMENT UNDER 37 C.F.R. § 1.111

Commissioner for Patents  
Washington, D.C. 20231

Sir:

In response to the Office Action dated October 24, 2001, please amend the above-identified application as follows:

IN THE CLAIMS:

Please cancel claim 1 without prejudice or disclaimer.

Please enter the following amended claims:

2. (Once amended) An information recording medium, comprising:
- a first information recording/reproduction unit formed by sequentially laminating on a first transparent substrate a first recording layer and a translucent layer, at the least;
  - a second information recording/reproduction unit formed by sequentially laminating on a second transparent substrate a reflection layer and a second recording layer, at the least; and
  - a transparent bonding layer for bonding said translucent layer and said second recording
